

# Online Tutoring for BFIT Students

Please note:

1. Online tutoring is available through Canvas  
There is a “course” called Academic Success Center (ASC ONLINE)
2. Online tutoring follows the same schedule as before midterm break  
Once you are “enrolled” in the course, you will find a copy of the schedule available on the homepage.
3. Students must contact me so I can add their name to the Academic Success Center  
Students will then receive a Canvas invitation to join the Academic Success Center;  
Accept the invitation and you’ll see the Academic Success Center on your Dashboard!
4. To meet with a tutor, go to Chat in the Academic Success Center course and reach out to the specific tutor you want to talk to  
REMEMBER to follow the schedule. Tutors are available at their scheduled times, so check the schedule.

If you have any questions, please feel free to email me!

Thanks,

Sally Heckel

Director of Learning
